Hanging Flower Basket for MOM!

A gift that grows with Love.

Mountlake Terrace Garden Club

A service organization, dedicated to beautifying our city.

Partnering with the City Parks & Recreation Department, we build and maintain flower beds at the entrances to the city and at other key sites around the city.

Funds raised through basket sales reduce the tax dollars needed to buy flowers and other supplies for these public gardens.

Your suggestions for additional sites and your participation in the Garden Club are most welcomed.
